SUMMARY

A final-year student at the University of DaNang - University of Science and Technology with extensive exposure to modern programming languages and technologies. Skilled in teamwork through project-based learning each semester, with hands-on experience in project management and executing applied projects. A position as an intern or fresher web developer would allow me to express my creative interests and improve my technical skills.

PROJECTS

Website Cinet Movie	Aug 2024 - Present
<ul style="list-style-type: none">• Role: Designed the interface, structured the project, and coded the frontend.
