VUONG HUU TAI

I'm a UX/UI Designer

EXPERIENCE

Graphic - UX/UI Designer

BIN Corporation Group

Responsible for designing 2D publications such as social media, banners, ADS POSM, logo design, branding upon request from subsidiaries and client. After that, I moved to the UI/UX department for nearly 2 years when the company was short of staff. My responsibilities during that time included:

- Design interface and user experience for landing page, web/app products of Company and Client. Coordinate with Product Manager and Developer to develop products from idea to implementation.

Conduct user research, create wireframes, prototypes, and mockups.

Freelancer Graphic Designer Education World

Support the marketing department in making advertisements, designing social media images, Facebook cover banners as required.

Graphic Designer

2020 - 2021

Linkhouse

When I joined the company, it was in the process of rebuilding its brand identity. It was an opportunity for me to participate in the project. In addition, I also coordinate with the marketing department to be responsible for the company's communications, trying to bring the brand closer to customers.

Sale Specialist

VINEstate

Communicate and advise customers about the values of real estate products for which the company is a distribution agent.
